

RESOLUTION NO. 37

RESOLUTION OF THE COMMON COUNCIL OF THE CITY OF PALMER, ALASKA

WHEREAS, the City of Palmer, Alaska, having previously resolved by Resolution No. 14, that the City of Palmer should undertake the construction of certain public works described as a water works and sewer system; and

WHEREAS, previously and on January 29, 1952, an election was held in which the qualified electors and those qualified electors who owned real and personal property in the City of Palmer and whose names appeared on the last tax assessment roll for the City of Palmer, approved the construction of a water works system which water works system is in a process of construction; and

WHEREAS, certain changes are necessary in the engineering plans and the contractor's requirements of the water works system; and

WHEREAS, the Common Council of the City of Palmer, after a careful consideration of the present needs of the community of Palmer, have determined that the following changes are necessary and that the Alaska Public Works Administration should be requested by means of this resolution to authorize such changes as set forth below, and that such changes are as follows:

1. Resolved that the contractor shall furnish and install all curb cocks and key boxes on the water system now under present contract.

2. Resolved that the following change in the water works system shall be made:

"All North-South streets, the water line will be placed ten (10) feet out from center line on the East side of the street and all East-West streets, the water line will be placed ten (10) feet out from center line on the South side of the streets, except where a sewer line is concerned and in such instances the water line shall be placed on the opposite side of the street and ten (10) feet out from center line.

3. Resolved that it is in the best interest of the City of Palmer to locate a fire hydrant on the East side of the street, at the intersection of Swanson Street and Swanson Avenue, directly across from the North Palmer School.

4. Resolved that the present proposed fire hydrant to be located in front of Kirk's Sales & Service at the intersection of Valley Street and the Glenn Highway, shall be located on the opposite side of the street in front of the Pioneer Apartments

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Palmer, the governing body of said city, as follows:

That the Alaska Public Works Administration authorize changes to be made in the engineering plans for the water works system of the City of Palmer, and that said changes be authorized and the plans corrected according to the above specified changes, and that the contractor be furnished authorization to make such changes to the construction project. All to the end of providing for the City of Palmer, Alaska, a water works system adapted to the present needs of said City of Palmer and the residents thereof.

This resolution adopted by unanimous vote of the Council this 10th day of March, 1953.
