

RESOLUTION NO. 40

RESOLUTION OF THE COMMON COUNCIL OF THE CITY OF PALMER, ALASKA

WHEREAS the City of Palmer, Alaska, having previously resolved by Resolution No. _____ that the City of Palmer should undertake the construction of certain public works described as a water works and sewer system; and

WHEREAS, previously and on January _____, 1952, an election was held in which the qualified electors and those qualified electors who owned real and personal property in the City of Palmer and whose names appeared on the last tax assessment roll for the City of Palmer, approved the construction; and

WHEREAS certain changes are necessary in the engineering plans and the contractor's requirements of the water works system, and

WHEREAS the Common Council of the City of Palmer, after a careful consideration of the present needs of the community of Palmer, have determined that the following changes are necessary and the Alaska Public Works Administration should be requested by means of this resolution to authorize such changes as set forth below, and that such changes are as follows:

1. That the Alaska Public Works Administration be requested to authorize the extension of the six inch water line on Valley Street to run to a point one block North of Wolverine Street and East at least one hundred twenty (120) additional feet.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of Palmer, the governing body of said city, as follows:

That the Alaska Public Works Administration be requested to authorize the extension of the six inch water line on Valley Street to run to a point one block North of Wolverine Street and East at least one hundred twenty (120) additional feet.

This Resolution adopted by unanimous vote of the Council this 2nd day of June, 1953.

/s/ Alfred V. Hagen
Mayor of the City of Palmer

ATTEST:

Margaret A. Cope
Clerk of the City of Palmer.
