CITY OF PALMER
RESOLUTION NO. 98

Authorizing Filing of Application with the United States of America for an Advance to Provide for the Planning of Public Works Under the Terms of Public Law 560, 83rd Congress

WHEREAS, City of Palmer (herein called the "Applicant") after thorough consideration of the various aspects of the problem and study of available data has hereby determined that the construction of certain public works, generally described as:

Sanitary collection sewers, trunk sewers, sewage treatment plant and outfall; storm sewers, catch basins and outfall and necessary facilities thereto

is desirable and in the public interest and to that end it is necessary that action preliminary to the construction of said works be taken immediately; and

WHEREAS, under the terms of Public Law 560, 83rd Congress, as amended, the United States of America has authorized the making of advances to public bodies to aid in financing the cost of engineering and architectural surveys, designs, plans, working drawings, specifications or other action preliminary to and in preparation for the construction of public works; and

WHEREAS, the applicant has examined and duly considered such act and the applicant considers it to be in the public interest and to its benefit to file an application under said act and to authorize other action in connection therewith;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF PALMER, the governing body of said applicant as follows:

1. That the construction of said public works is essential to and is to the best interests of the applicant, and to the end that such public works may be provided as promptly as practicable it is desirable that action preliminary to the construction thereof be undertaken immediately;

2. That Charles W. Wilson be hereby authorized to file in behalf of the
