

Resolution No. 102
Skipped

Resolution No. 102 is void due to the number not being used. This resolution number was never heard by the Council.

On April 22, 2019, it was discovered there was a motion made on August 8, 1961, directing the city attorney to “draft a resolution that anyone desiring name on the agenda for the items of business should contact City Clerk not later than noon on Friday preceding the Council meeting.” This motion carried, but the resolution was never drafted.

It is believed Resolution No. 102 was reserved for this purpose, but the resolution was never drafted and brought before the Council for consideration.

Dated this 22nd day of April, 2019.
