CITY OF PALMER, ALASKA RESOLUTION NO. 194

THE CITY OF PALMER, ALASKA, RESOLVES:

On behalf of this community, to honor Tom LePak and Dale Anderson, the winners of the 1969 Plymouth Troubleshooting Contest for Alaska.

These Palmer High School team members and John DeVries, their auto shop instructor, together with the merchants and mechanics who actively supported and guided them, reflect the best combination of the thirst of youth for practical knowledge coupled with the interest and willing assistance of older and established members of our community. The spirit which produces this combination is the natural outgrowth of a wholesome society in this Valley.

This team represents our best and the Council wishes them success and rewarding experiences in the forthcoming national competitions.

Dated: June 10, 1969.
